Disgwyliwn i'r Rhieni gefnogi polisi iaith yr ysgol. Y mae'n bwysig iawn fod cyd-ddealltwriaeth yn bodoli rhwng y Rhieni a'r Ysgol ar y pwnc yma

Dechreuir dysgu Saesneg fel pwnc yng Nghyfnod Allweddol 2. Yng nghyfnod allweddol 2 dysgir rhai pynciau/agweddau o rai pynciau trwy gyfrwng y Saesneg ym mlynnyddoedd uchaf yr ysgol. (Gellir cael mwy o wybodaeth gan y Pennaeth.)

Addysg Rhyw

Dysgir Addysg Rhyw fel rhan naturiol o'r Cwricwlwm, mewn dull sensitif, heb dynnu gormod o sylw at y ffaith ein bod yn cyflwyno Addysg Rhyw. Mae'r nyrs ysgol yn dod bob Haf i roi sgwrs i'r plant ar ddyfodiad llencyndod ym Mlwyddyn 5 a 6.

Language Policy

The School Language Policy follows the Authority's Language policy for transitional schools. This means that Welsh is used as the main medium within school. Children in the Foundation phase are taught through the medium of Welsh. This issue is dealt with sensitively and sensibly in the case of non-Welsh speaking children. Their mother tongue will be used when appropriate to facilitate the building of a firm, successful relationship between child and teacher. Parents of children of all ages are expected to support this policy. It is essential to the children that harmony exists between the school and the home on this most important issue. English as a subject is introduced in Key Stage 2. Some subjects areas are taught through the medium of English in upper Key stage 2, (please ask the Headteacher for more information).

Additional Learning Needs

We follow the guidelines set out by the authority. When difficulties are recognized the staff will consult with the parents, and place the child on the appropriate stage of the Additional Learning Needs Register, where a One Page Profile Plus will be prepared for them.

Children with an Individual Development Plan are supported by the Authority, within the school. Provision for especially gifted children is also provided within the classroom environment.

Sex education is taught as an integrated part of our themes, as naturally and as sensitive as possible. The school nurse is invited annually to discuss the changes at puberty, with Years 5 and 6.
